## **DIRECTORS' REPORT (CONTINUED)**

### 2. Meetings of Directors

The following table sets out the Board and Committee meetings held during the year and the number attended by each Director where applicable. The Committees are: Audit and Risk Committee, Nominations Remuneration and Human Resources Committee, Environment Social and Governance Committee and Election Committee.

	Board of Director Meetings		Committee	e Meetings
Director	Number Held / Eligible to Attend	Number Attended	Number Held / Eligible to Attend	Number Attended
Todd Alan Atkinson	6	6	6	5
Craig Anthony Berger	7	6	7	6
Bronwyn Teresse Dallow	7	6	8	7
Christopher Gawan-Taylor	6	5	6	6
Reid Edward Johnson	7	7	5	4
Tammy Lea Marshall	7	7	12	10
Simon Paul Spicer	7	6	5	5
Jennifer Ching Wai Tang	7	6	5	5
David James Young	7	6	7	7
Tracey Michelle Powell	1	1	2	2

The above meeting attendance is for YHA Ltd. Youth Hostels Association of Queensland (YHA Queensland), YHA Travel to Learn Limited, YHA Victoria Limited and YHA WA Pty Ltd held 1 Board of Directors meeting. These were held on the same day as the February meeting of YHA Ltd.

## 3. Short and Long Term Objectives

The objects of the group are:

- (a) represent the interests of the company and its Affiliated Entities internationally with Hostelling International and its Affiliated Entities:
- (b) promote youth hostelling internationally, including fostering an appreciation of a range of cultural values;
- (c) promote youth hostelling throughout Australia and its dependent territories, and to promote interstate and international friendship through the development of youth hostelling:
- (d) provide educational opportunities in Australia for all people, but especially young people, to:
  - (1) achieve personal development;
  - (2) foster friendship; and
  - (3) bring about a better understanding of others and the world around them;
- (e) facilitate education by providing, operating and assisting others to provide and operate, hostels or similar accommodation in which there are no distinctions of race, nationality, colour, religion, gender, sexual orientation, class or political opinion;
- (f) educate, by promoting and encouraging:
  - (1) travel;
  - (2) healthy recreational experiences;
  - (3) sustainability and environmental conservation;
  - (4) Social impact and
  - (5) interstate and international friendships and understanding, particularly through the development and provision of facilities and services to assist travellers within and outside Australia;
- (g) actively promote Australia as a prime holiday destination for the members of overseas organisations affiliated with Hostelling International; and
- (h) provide information or advice to any government, company or any other organisation in relation to any of the foregoing.

## **DIRECTORS' REPORT (CONTINUED)**

## 4. Strategy for achieving Objectives

- (1) To be the market leader in the provision of low cost, quality accommodation in Australia and at least maintain current market share.
- (2) To be the market leader in providing services to free independent travellers (FITs).
- (3) To be a dynamic customer driven organisation responsive to change.
- (4) To develop the business and activities of YHA in accordance with the national and international aims and objectives of the organisation.
- (5) To achieve the most effective structure for YHA in Australia.
- (6) To provide an annual operating surplus to reinvest in the further growth and development of YHA services and resources.
- (7) To continue to exercise the organisation's social, cultural, economic, educational and environmental responsibilities as a major international membership organisation.
- (8) To continue to develop YHA's People and Culture as a means of achieving the above objectives.
- (9) To manage risk through selected strategies and regular review.

## 5. Principal Activities

The principal activities of the group during the financial year were to provide secure, high quality, low cost accommodation to members in YHA hostels and, through affiliated organisations, enable access to such accommodation throughout the world. In addition, the company operates travel and tour services and food and beverage operations at some hostels. These activities are directed at achieving the specific objectives of the group.

#### 6. Operating Results

The consolidated deficit after tax for the financial year ended 31 December 2024 was \$2,019,983 (2023 surplus of \$1,978,249). The number of member overnights for the year was 850,476 (2023: 927,522).

#### The 2024 deficit included:

Strong operating income though hostel revenue was affected by the refurbishment of 3 key properties, though growth in F&B revenue was positive. Employee costs increased as costs for new capabilities and F&B were in place for the full year and service standards stabilised compared to 2023. Depreciation costs increased in 2023 and 2024 due to refurbishment investments. Finance costs decreased to \$6,671,800 (2023: \$6,993,255) due to the cancellation of the credit facilities no longer needed. There were no disposals of properties in 2024 though some disposal costs related to the refurbishment of key properties were recognised. Property expenses were lower due to the end of operations at Noosa. Cash flows were steady though reflected the large outflows for property investment.

Although disappointing to have incurred a deficit for the year, after consideration of the loss of income from the disruption of rooms availability from the refurbishments and disposals costs, the investment places YHA in a strong position for a potential return to surplus in 2025.

## 7. Review of Operations

The annual report is prepared on a consolidated basis and includes the operations of YHA Ltd (property operations including F&B, membership, travel and tour sales), YHA Queensland (property owner), YHA Travel to Learn Limited (YHA's charity), YHA Victoria Limited (dormant) and YHA WA Pty Ltd (dormant).

The group uses occupancy percentage or utilisation of the hostel beds as a measure of performance together with quality ratings from guests. The property bed occupancy in 2024 for operated properties was 65.57% (2023 70.19%), ratings were in the desired range and several properties achieved consistently high ratings. The Food & Beverage Strategy maintained momentum with bar, breakfast, café and in-house catering options offered in selected locations and income was up 24% on the 2023 result. Average bed rates continued to improve, in response to a number of events early in the year. Later in the year there was a return of supply of refurbished competitor properties and some new competitors commenced business. People and Culture development improved throughout the year with teams, systems and service processes improving, though this placed some pressure on productivity and employee costs.

Revenue in the first quarter was boosted by the Taylor Swift ERA's Tour in February and solid international visitation and groups business throughout the year. Some softness returned to some markets, with Adelaide and Byron Bay lower than last year. Over \$10,000,000 was invested on major refurbishments of the three key city properties, Sydney Central, Sydney Harbour and Brisbane City YHAs. Whilst during these building works there was some disruption to available rooms and earnings, the elevation of the product has improved guest satisfaction and earnings since completion. The investment at Sydney Harbour YHA also included the opening of the new Rooftop Bar.

## **DIRECTORS' REPORT (CONTINUED)**

Operations at Noosa Halse Lodge YHA ceased at the end of January 2024, as the lease expired ending a long relationship with this property. Plans to operate the Hobart Town Hotel were delayed and this project is now expected to open in early 2025. Other guest milestones included the launch of the YHA Explorer APP in December 2024 and the lodgement of YHA's B Corp application and achievement of EcoTourism certifications at three properties. The Railway Square property development construction has progressed to above level 5, which includes all of the YHA levels, the remainder of the tower is expected to be completed by the end of 2026 with progress made to almost final all of the designs for the YHA levels.

#### 8. Dividends

YHA Ltd is a for purpose company limited by guarantee and does not pay dividends. Every Member undertakes to contribute to the property of the company in the event of it being wound-up for payment of the debts and liabilities of the company, such amount as may be required, not exceeding \$1.

## 9. Significant Changes in the State of Affairs

The Directors are not aware of any matter or circumstance not otherwise dealt with in this report or the financial report that has significantly or may significantly affect the operations of the group, the result of those operations or the state of affairs of the group for the year ended 31 December 2024.

## 10. Significant Events since the end of Financial Year

A contract to sell the Dunsborough property has been executed and is expected to settle by the end of the first quarter 2025.

The Directors of the company are not aware of any other matter or circumstance that has arisen since the end of the financial year which is likely to significantly affect the operations of the group, the results of those operations or state of affairs of the group in future financial years.

## 11.Likely Developments

Likely developments in the operations of the group and the expected results of those operations in future financial years have not been included in this report as the inclusion of such information is likely to result in unreasonable prejudice to the group.

#### 12. Directors' and Officers' Liability Insurance

The company has arranged a Directors' and Officers' Liability Insurance policy, which covers all the Directors and Officers of the company against certain liabilities they may incur in carrying out their duties for YHA Ltd. The terms of the policy prohibit disclosure of details of the amount of the insurance cover, the nature thereof and the premium paid.

## 13. Environmental Reporting

The group's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or State or Territory.

## 14. Proceedings on behalf of the company

No person has applied for leave of the Court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings. The company was not a party to any such proceedings during the year.

## 15. Auditor's Independence Declaration

The auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out on page 26.

## 16.Rounding of amounts

The company is of a kind referred to in the ASIC Legislative Instrument 2016/191 relating to 'rounding off' of amounts in the Directors' Report. Amounts have been rounded off in accordance with the instrument to the nearest dollar.

Signed in accordance with a resolution of the Directors.

#### NOTES TO THE FINANCIAL STATEMENTS

#### **NOTE 1 - SUMMARY OF MATERIAL ACCOUNTING POLICIES**

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards – Simplified Disclosures. This includes compliance with the recognition and measurement requirements of all Australian Accounting Standards, Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board and the disclosure requirements of AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities, as appropriate for Not-for-Profit entities and the Corporations Act 2001. The consolidated financial report of the group as at and for the year ended 31 December 2024 comprises YHA Ltd (the company) and its controlled entities which include Youth Hostels Association of Queensland, YHA Travel to Learn Limited, YHA WA Pty Ltd (formerly YHA WA Inc) and YHA Victoria Limited. YHA Ltd is a company limited by guarantee, incorporated and domiciled in Australia.

The financial statements were authorised for issue by the Directors on 15 February 2025.

#### New, revised or amending Accounting Standards and Interpretations adopted

The company has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

## **Basis of Preparation**

## **Reporting Basis and Conventions**

The following is a summary of the material accounting policies adopted by YHA Ltd in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated. The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

## **Accounting Policies**

## **Property Plant & Equipment**

Property, plant and equipment are brought to account at cost, less, where applicable, any accumulated depreciation and impairment losses. The carrying amount of property, plant and equipment is reviewed annually by directors to ensure it is not in excess of its recoverable amount. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit or Loss and Other Comprehensive Income during the financial period in which they are incurred.

#### **Depreciation**

Buildings, plant and equipment are depreciated on a straight line basis over the estimated useful life of the asset to the Company.

The estimated useful lives are:

Freehold Buildings 17 - 50 years

Leasehold Buildings lesser of the term of the lease agreement and 40 years

(except Thredbo where the carrying value is written down over 50 years.)

Plant and Equipment 3 - 8 years

Intangible assets 3 years or term of the lease if applicable

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposal are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Statement of Profit or Loss and Other Comprehensive Income.

YHA LTD ANNUAL REPORT 2024 10

#### NOTES TO THE FINANCIAL STATEMENTS

## NOTE 1 - SUMMARY OF MATERIAL ACCOUNTING POLICIES (CONTINUED)

#### **Financial Instruments**

#### Recognition

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below:

#### Receivables

Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost.

Financial assets at amortised cost

Financial assets are classified (and measured) at amortised cost on the basis that:

- (a) they are held within a business model whose objective is achieved by the group holding the financial asset to collect contractual cash flows; and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### **Financial Liabilities**

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments.

#### **Impairment of Non-Financial Assets**

At each reporting date, the group reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the assets, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of Profit or Loss and Other Comprehensive Income. Impairment testing is performed annually for goodwill and intangible assets with indefinite lives.

## Impairment of financial assets

The group recognises a loss allowance for expected credit losses on financial assets which are measured at amortised cost. The measurement of the loss allowance depends upon the group's assessment at the end of each reporting period as to whether the financial instrument's credit risk has increased significantly since initial recognition, based on reasonable and supportable information that is available, without undue cost or effort to obtain.

## **Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks and other short-term highly liquid investments with maturity dates of six months or less and which are used in the cash management function on a day to day basis.

## Intangibles

## **Software**

Software is recorded at cost. Software has a finite life and is carried at cost less any accumulated amortisation and impairment losses. It has an estimated useful life of between 3 and 5 years. It is assessed annually for impairment.

#### Goodwil

Goodwill is initially recorded at the amount by which the purchase price for a business exceeds the fair value attributed to its net assets at date of acquisition. Goodwill is tested annually for impairment and carried at cost less accumulated impairment losses.

## Revenue recognition

The group recognises revenue as follows:

## Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the group is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the group: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

## **NOTE 1 - SUMMARY OF MATERIAL ACCOUNTING POLICIES (CONTINUED)**

#### **Hostel Revenue**

The group's performance obligation is to provide accommodation and other goods and services to guests. Hostel revenue includes rooms or beds revenue and other sales such as food and beverage, which is recognised when the rooms or beds are occupied, and food and beverages are sold.

## **Membership Revenue**

Membership Fees are payable on a guest's first stay with YHA in Australia and are either perpetual or expire after a term of 2 years or resignation. Membership fees are recognised as revenue in the year that the memberships are sold and are not refundable. Membership fees are also payable for Australians travelling overseas who have not yet stayed at a YHA hostel in Australia.

#### Interest

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

#### Rent

Rent revenue is recognised on a straight-line basis over the lease term. Lease incentives granted are recognised as part of the rental revenue. Contingent rentals are recognised as income in the period when earned. Any rent received in advance is recognised as deferred income.

#### **Fair Value Measurement**

When an asset, financial or non-financial, is measured at fair value for disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interests. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

## **Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

## **Principles of consolidation**

## **Subsidiaries**

Subsidiaries are all entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

## Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax is recognised in profit or loss.

Due to the principle of mutual income, a significant portion of the receipts recognised as income represents amounts received from members and does not represent income of the group for income tax purposes.

#### **NOTES TO THE FINANCIAL STATEMENTS**

## NOTE 1 - SUMMARY OF MATERIAL ACCOUNTING POLICIES (CONTINUED)

## **Rounding of amounts**

The company is of a kind referred to in the ASIC legislative Instrument 2016/191 relating to 'rounding off' of amounts in the financial report. Amounts have been rounded off in accordance with the instrument to the nearest dollar.

## **Contract liabilities**

Contract liabilities represent the group's obligation to provide accommodation services to a customer and are recognised when a customer pays consideration, or when the group recognises a receivable to reflect its unconditional right to consideration (whichever is earlier) before the group has provided accommodation services to the customer.

#### NOTES TO THE FINANCIAL STATEMENTS

#### NOTE 2 - CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

#### Estimation of useful lives of assets

The group determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of property prices, technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives of assets are less than previously estimated or technically obsolete. Non-strategic assets that have been abandoned or sold will be written off or written down.

## Impairment of non-financial assets other than goodwill and other indefinite life intangible assets

The group assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the group and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs to sell or value-in-use calculations, which incorporate a number of key estimates and assumptions including:

- Bed occupancy % increasing over the year with state, territory and international economic activity continuing to recover, in the range as from 65% up to 90% or higher by the end of the year.
- Average bed rates increasing as demand from Australians and International travellers strengthens and in the range of \$35-\$50 in competitive locations with less demand and up to \$90 in higher demand locations and times of peak demand.
- Discount rate in the range of 9% to 12% and capitalisation rates in the range from 6% to 12%.

## Goodwill and other indefinite life intangible assets

The group tests annually, or more frequently if events or changes in circumstances indicate impairment, whether goodwill and other indefinite life intangible assets have suffered any impairment, in accordance with the accounting policy earlier stated in note 1. The recoverable amounts of cash-generating units have been determined based on value-in-use calculations. These calculations require the use of assumptions, including estimated discount rates based on the current cost of capital and growth rates of the estimated future cash flows.

#### **Deferred Tax Assets**

## Recovery of tax losses

The group does not regard it as appropriate to recognise in its financial statements any possible future income tax benefit arising from tax losses and other timing differences as there is no probability of recovery of these benefits.

## Financial asset discount rate

The discount rate used to estimate present value of the financial asset was the corporate bond rate of 4.38%, the measurement was made from the date of settlement of the disposal of Railway Square YHA to November 2026.

Carrying amount at the end of the year		112,070,091	100,001,000

#### **NOTE 13 - LEASE ASSETS AND LEASE LIABILITIES**

The group leases hostel premises as well as specialised information technology equipment for periods not exceeding 5 years. The group is required to return the underlying assets in a specified condition at the end of the lease term. This note provides information for leases where the group is a lessee.

At the commencement date of a lease (other than leases of 12-months or less and leases of low-value assets), the group recognises a lease asset representing its right of use to the underlying asset and a lease liability representing its obligation to make lease payments.

Operating leases pertain to properties leased for the provision of accommodation to members, and IT infrastructure services. The leases typically run for periods up to 5 years with varying terms and renewal options except for Thredbo YHA (to 2057), Sydney Harbour YHA variable lease payments (to 2108) and Fremantle Prison YHA (with options to 2034).

(i) Amounts recognised in the statement of financial position:

(i) Amounts recognised in the statement of infancial position.		
	2024	2023
Carrying value of lease assets, by class of underlying asset:	\$	\$

Later than 5 years	2,593,512	2,772,578
	3,478,756	3,652,868

## Other commitments

The group has a Lease Agreement with Property NSW (formerly Sydney Harbour Foreshore Authority) to operate a Youth Hostel and Education Centre in The Rocks, Sydney. The lease requires a contribution to a sinking fund to be used for the maintenance of The Rocks Big Dig archaeology site which the hostel sits over. This sinking fund is capped at \$705,000 and increases annually by CPI adjustment as does the contribution per overnight since the lease commenced in 2009. The fund balance reached the cap during the year and contributions paused until funds are used.

	2024	2023
NOTE 14 - INTANGIBLE ASSETS	\$	\$
Licences - at cost	116,681	116,681
Licences	116,681	116,681
The recoverable amount of the Liquor Licence is determined based on value-in-use calculations. Value-in-use is calculated based on the present value of cash flow projections over a 10-year period with the period extending beyond five years extrapolated using an estimated growth rate.		
Goodwill - at cost	2,064,101	2,064,101
Goodwill - accumulated impairment	(400,000)	(400,000)
	1,664,101	1,664,101
The recoverable amount of the Goodwill is determined together with the cash-generating unit which includes property, plant and equipment and is based on value-in-use calculation.		
Computer software - at cost	2,165,365	681,939
Less: accumulated amortisation	(658,794)	(674,018)
	1,506,571	7,921
Total intangible assets	3,287,353	1,788,703

The following are movements in the carrying amounts for each class of liquor licence, goodwill and computer software between the beginning and the end of the current financial year.

	Licences	Goodwill	Computer software	Total
	\$	\$	\$	\$
Carrying amount at the beginning of the year	116,681	1,664,101	7,921	1,788,703

Trade creditors	1,461,489	329,827
Accrued expenses	1,334,989	3,517,621
BAS payable	217,801	476,915
Other payables	343,612	896,054
	3,357,891	5,220,417
Non-current		
Rental bonds	14,349	20,349
	14,349	20,349

#### **NOTE 16 - BORROWINGS**

		2024 \$	2023 \$
Current	Insurance premium funding	561,620	<u>-</u>
Non-current	Syndicated facility	91,224,836	90,837,248
	Total Borrowings	91,786,456	90,837,248

- 1. The Syndicated Facility Agreement commenced in December 2021, and has a facility limit of \$92,000,000 (2023: \$105,000,000) and consists of a drawn facility of \$92,000,000 (2023; \$92,000,000), facilities for the Railway Square YHA development of \$8,000,000 and an additional liquidity facility if required of \$5,000,000 were cancelled in January 2024 as they were no longer needed. The term of the facility is for 5 years to December 2026 and has a fixed interest fee on drawn facilities. The facility allows mandatory and voluntary prepayment and with any prepayment a permanent reduction in the facility. Prepayments are required if there is a surplus of cash over a certain level. There are annual fees for a Security Trustee and Agent and Facility Manager.
- 2. The syndicated facility is secured by a first ranking fixed and floating charge over all the assets of the group and first ranking mortgages over 18 hostel properties. The covenants within the facility require the group to maintain the loan to value ratio at less than or equal to 55% and an interest cover ratio of earnings before interest, tax, depreciation and amortisation (EBITDA) less provision for capital expenditure of 4% of hostel revenue over interest expense greater than or equal to 1.0 times by the first test date in March 2025.
- 3. The group complied with the financial covenants of its facility during the 2024 year. The syndicated facility has no ICR covenants for the first three years of the facility. The facility has a number of review events relating to liquidity and if these are triggered a review event is called rather than a default event and certain time frames are required to correct the review event.

	2024	2023
The syndicated facilities as at the balance date are:	\$	\$
Credit facilities	92,000,000	105,000,000
Amount utilised	92,000,000	92,000,000
Amount unutilised	-	13,000,000

The 2023 unused credit facilities were cancelled in January 2024 and consisted of facilities totalling \$13,000,000 for the Railway Square YHA development (\$8,000,000), and further support for interest payments (\$5,000,000).

## **Assets Pledged as Security**

The carrying amounts of assets pledged as security are:

-First mortgage and floating charges		
Total assets	118,823,541	110,590,091
Independent valuations of interest in Land & Buildings		
-2023	184,525,000	184,525,000
-2018	1,000,000	1,000,000
-2015	825,000	825,000
Total	186,350,000	186,350,000
i otai	100,330,000	100,330,000

The total independent valuation reports value of \$186,350,000 (2023: \$186,350,000) representing 20 freehold and leasehold properties. A value for the hostel at Fremantle Prison YHA has been included. The written down value of these properties in the financial report is \$102,260,494 (2023: \$94,194,339) and they are recorded at cost or deemed cost as at transfer date. Independent valuations required by the Syndicated Facility Agreement were completed in 2023 and are able to be requested annually. The Facility Agreement recognises for financial covenant purposes a nominal amount for the value of asset under development, this ensures the loan to value ratio is not affected by this development, but is not included in the above total of independent valuations.

	2024	2023
NOTE 17 - PROVISIONS	\$	\$
Current		
Employee benefits	1,538,623	1,279,411

### **NOTE 19 - CONTINGENT LIABILITIES**

The group has a contingent liability as at 31 December 2024. YHA may be required to contribute \$35m to the development of the YHA Railway Square development. However, the YHA contribution payment is contingent on certain conditions being met including practical completion of the YHA Railway Square development.

NOTE 20 - COMMITMENTS	2024	2023
Capital commitments	\$	\$
Capital expenditure commitments contracted for:		
-Capital expenditure projects	1,791,513	1,778,239

Commitments for capital expenditure projects will be payable not later than 1 year.

## **NOTE 21 - RELATED PARTY DISCLOSURES**

All transactions between the company and its controlled entities are eliminated on consolidation. There were no other related party transactions occurring during the year (2023: Nil). The directors of the company are all directors of the controlled entities. Directors are reimbursed for expenses incurred in attending meetings in accordance with directors' expense policy and from the April 2018 Annual General Meeting have been remunerated, in accordance with the constitution. Disclosures relating to key management personnel are set out in Note 22.

#### **NOTE 22 - KEY MANAGEMENT PERSONNEL COMPENSATION**

Key management personnel include the directors listed in the Directors' Report, the Chief Executive Officer, Head of Customer, Head of People and Culture, Head of Sustainability, Chief Financial Officer, Head of Operations, Head of Development, Head of Sales, Revenue and Distribution, Financial Controller and Chief Information Officer. Total compensation is shown as follows:

Key management personnel - excluding direct	ors	Salary <b>\$</b>	Superannuation \$	Total <b>\$</b>
	2024	2,482,286	261,072	2,743,358
	2023	2,009,717	205,967	2,215,684
Directors		Salary <b>\$</b>	Superannuation \$	Total <b>\$</b>
	2024	103,078	10,760	113,838
	2023	96,045	10,335	106,380

All directors are members of the company and receive remuneration for their services as approved by the Members at the 2018 Annual General Meeting. They are also entitled to receive, upon application, discounts no more favourable than those available to all members and expense reimbursements for travel costs for attending meetings and training approved by the company.

The directors remuneration is \$10,000 per annum plus superannuation per director and is paid pro-rata for Directors who join after the AGM. Additional remuneration of \$2,500 plus superannuation is also paid to Directors who hold the office of Vice Chair and Committee Chairs. Additional remuneration of \$5,000 plus superannuation for the Chair.

Key management personnel - including directors	Salary <b>\$</b>	Superannuation <b>\$</b>	Total <b>\$</b>

Independent Auditor's Report To the Members of YHA Ltd ABN 94 008 387 791

## Report on the Audit of the Financial Report

### Opinion

We have audited the financial report of YHA Ltd ("the Company") and its subsidiaries ("the Group"), which comprises the consolidated statement of financial position as at 31 December 2024, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, notes to the financial statements, including material accounting policy information, the consolidated entity disclosure statement and the directors declaration.

In our opinion, the financial report of the Group is in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the Group's financial position as at 31 December 2024 and of its performance for the year ended on that date; and
- b) complying with Australian Accounting Standards Simplified Disclosures and the *Corporations Regulations 2001.*

#### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

The directors are responsible for the other information. The other information comprises the information included in the Directors Report for the year ended 31 December 2024, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially consistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of:

- a) the financial report (other than the consolidated entity disclosure statement) that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001*; and
- b) the consolidated entity disclosure statement that is true and correct in accordance with the *Corporations Act 2001*; and

for such internal control as the directors determine is necessary to enable the preparation of:

- the financial report (other than the consolidated entity disclosure statement) that gives a true and fair view and is free from material misstatement, whether due to fraud or error;
   and
- (ii) the consolidated entity disclosure statement that is true and correct and is free of misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due
  to fraud or error, design and perform audit procedures responsive to those risks, and
  obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
  The risk of not detecting a material misstatement resulting from fraud is higher than for
  one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
  misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including
  the disclosures, and whether the financial report represents the underlying transactions
  and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
